LETTER OF APPRECIATION

With deep sense of gratitude, we the entire staff and parents of Enyiduru International Academy Nsukka write to thank you people in Germany for the love and kindness you people have for us by sending food items to feed the family.

We thank you immensely for your humanitarian assistance to us since the outbreak of Covid-19 Pandemic till date; we cannot thank you people enough.

Actually the palliative arrived when most parents and staff were finding it difficult to provide food for their families which is one of the basic needs of a man. The rising cost of food stuffs and cost of living nowadays is better witnessed than told, and as a result, one wonders if the word is coming to an end.

Your efforts and concern towards Enyiduru International Academy Nsukka cannot be expressed in words. It is true to say that givers never lack.

Therefore, neither silver nor gold have we, but by the name which is above other names, may your pocket be replenished in Jesus name. Amen.

Yours Faithfully,

Enyiduru Staff
